Please note that making a false statement to avoid compliance with the *Corporations Tax Act* is an offence which can result in a penalty and/or fine.

- NOTE 1:** Filing of this declaration and the Annual Return does not constitute the filing of a Corporations Tax Return under section 75 of the *Corporations Tax Act*.
- NOTE 2:** The following loss situations will require otherwise EFF corporations to file a CT23 tax return complete with all related schedules and financial statements:
1. If a corporation has a loss in the current taxation year that is to be carried back and applied to a previous taxation year(s), regardless of whether the loss is the same as for federal purposes or not, a CT23 tax return is required for the current taxation year. The corporation must also provide information indicating that the loss is to be carried back and specify the year and the amount of loss to be carried back to each taxation year.
 2. If a corporation has a prior year loss, that is not the same for both federal and Ontario purposes and the corporation is applying a loss carryforward from the prior year to the current year, a CT23 tax return is required for the current taxation year, and if not previously filed, a CT23 tax return for the prior taxation year in which the loss was incurred is also required. Although a tax return for the loss year is not required where the loss is not being applied, the Corporations Tax Branch will accept the filing of a tax return for a loss year at the time the loss is incurred.
 3. If a corporation has a prior year loss, that is the same for both federal and Ontario purposes, but in the current taxation year the corporation is applying a different amount of loss for Ontario than the loss amount being applied for federal income tax purposes, the corporation is required to file a CT23 tax return for the current taxation year only.

The following 3 items **MUST** be completed if the EFF declaration only is being submitted at this time. In cases where the annual return, which includes page 1, is **also** being filed, completion of these fields is NOT necessary.

Schedule F: Summary of Co-operative Education Tax Credit Claimed

DOLLARS ONLY

Complete a separate entry for each student work placement which ended during the corporation's taxation year. The tax credit is for co-op work placements commencing after July 31, 1996 and leading-edge technology work placements commencing after December 31, 1997. A work placement is generally considered to be a full-time work assignment for up to 4 months in duration.

Example: If a corporation, with a December 31, 2001 taxation year end, hires an eligible student from September 1, 2001 until April 30, 2002, this would be considered 2 work placements. The first work placement is September 1, 2001 to December 31, 2001 and would be claimed in the 2001 taxation year. The second placement is January 1, 2002 to April 30, 2002 and must be claimed in the 2002 taxation year.

Qualifying Work Placements

Includes a Totals row at the bottom.

If [A] is over \$400,000 but less than \$600,000 use the following formula to calculate the rate: Rate = .15 - [.05 (From [A] - \$400,000) ÷ \$ 200,000]

Indicate rate used: % * Credit claimed equals ECP multiplied by rate.

Schedule G: Summary of Graduate Transitions Tax Credit Claimed

Complete a separate entry for each graduate, that is unrelated to the employer, that has worked full-time for a minimum of a six-month period. This credit applies to new hires commencing after May 6, 1997 for a maximum credit of \$4,000 each and may only be claimed once.

preceding taxation year was \$700,000. The taxpayer may only make one tax credit claim for each graduate employed. Although the graduate is employed for 7 months during the 2001 taxation year, the taxpayer must claim the full credit in the taxation year in which the first 12 months of employment falls or when employment is ended if less than 12 months. In this example, the credit must be claimed in the 2002 taxation year. The credit claimed is the lesser of 10% of salary for the maximum 12 months of employment (10% x \$3,500 x 12 = \$4,200) or \$4,000.

Example: A taxpayer, with a December 31, 2001 taxation year end, hires an otherwise eligible graduate on June 1, 2001 who is still employed on December 31, 2002 at a salary of \$3,500 per month. The salaries and wages in the taxpayer's

Overview

Format for 2003 Return

This Short-Form return may be used by certain smaller corporations that have a taxation year ending on or after January 1, 2000 (refer to eligibility criteria for using this return on page 5 of this Guide). In addition, to streamline the collection of corporate information, corporations are able to file a combined CT23 Short-Form Corporations Tax and Annual Return for the 2000 and subsequent taxation years. The CT23 Short-Form Corporations Tax Return collects the information required by the *Corporations Tax Act*. The Annual Return collects information required by the Ministry of Consumer and Business Services (MCBS) (formerly the Ministry of Consumer and Commercial Relations (MCCR)) under the authority of the *Corporations Information Act*. For information on the Annual Return, please refer to pages 12 to 16 of this Guide.

This Guide is to be used to complete the 2003 CT23 Short-Form Corporations Tax and Annual Return.

Acronyms used in this Guide are as follows:

- CT23 - refers to the CT23 Short-Form Corporations Tax Return.
- Annual Return - refers to the MCBS Annual Return.
- CT23 and Annual Return - refers to the combined CT23 Short-Form Corporations Tax and Annual Return.
- References to the *Corporations Tax Act* are noted as - s.5 (meaning refer to section 5).
- References to the Ontario Ministry of Finance Information Bulletins or Interpretation Bulletins are noted - Inf.B. 4003 or Int.B. 3004. Copies of these Bulletins may be obtained by calling the Ministry Information Centre at the numbers shown on page 2 or by visiting our website at www.trd.fin.gov.on.ca.
- References to the federal *Income Tax Act*, Canada are noted as "fed".

CT23 and Short-Form Annual Return Format

The CT23 Short-Form Corporations Tax and Annual Return consists of 8 pages, including 2 pages of schedules relating solely to the MCBS Annual Return (MCBS Schedules A and K).

The Corporations Tax Act

This Guide is provided for convenience only. For legislative accuracy, refer to the *Corporations Tax Act*, R.S.O. 1990, Chapter 40, as amended ("the Act"). Failure to comply with the provisions of the Act may result in loss of your Ontario Charter and dissolution and forfeiture of the corporation's property to the Crown.

Highlights of the 2001 and 2002 Ontario Budget, Bill 2 and other Legislative Changes

Income Tax Rate

Recent Legislation enacting changes to the corporate income tax rates was introduced in Bill 2, an Act respecting fiscal responsibility, which received Royal assent on December 18, 2003.

- The schedule below outlines the change to the general corporate income tax rate as a result of recent legislative changes introduced in Bill 2:

General Corporate Income Tax Rate	Applicable Period
12.5%	October 1, 2001 to December 31, 2003
14%	January 1, 2004 and thereafter

For a taxation year that straddles an effective date, the rates are prorated.

- Effective January 1, 2004, the Incentive Deduction for Small Business Corporations is increased to 8.5%, thereby maintaining the effective small business income tax rate at 5.5%.

Other Initiatives

- The deadline for acquiring an eligible school bus under the Ontario School Bus Safety Tax Incentive program has been extended to buses acquired before January 1, 2006.
- Corporations can pay quarterly instalments if their tax payable in the current or preceding year is greater than or equal to \$2,000 and less than \$10,000. Applicable for taxation years commencing in 2002.
- For taxation years ending after 2000, corporations filing the CT23 Corporations Tax Return will no longer be required to file a copy of their federal T2 return and related schedules, provided the federal documents have been filed with the Canada Customs and Revenue Agency (CCRA).
- Corporate income and capital tax Information and Interpretation Bulletins have been revised to remove obsolete information and update statutory references and are now available on the internet. Visit our website at www.trd.fin.gov.on.ca.

Do you have to file an Ontario Corporations Tax Return?

Exempt from Filing (EFF)

You may be exempt from filing a CT23 for the current taxation year, if your corporation meets **all** of the criteria listed below:

- files a federal income tax return (T2) with Canada Customs and Revenue Agency (formerly Revenue Canada);
- has no Ontario taxable income;
- has no Ontario Corporations Tax payable;
- is a Canadian-controlled private corporation (CCPC) throughout the taxation year (i.e., generally, a private corporation with 50% or more shares owned by Canadian residents as defined in subsection 125(7) of the *Income Tax Act*, (Canada));
- has provided its Canada Customs and Revenue Agency Business Number to the Ontario Ministry of Finance's Corporations Tax Branch; **and**
- is not subject to the Corporate Minimum Tax (i.e., alone or as part of an associated group whose total assets exceed \$5 million or whose total revenues exceed \$10 million).

Corporations are required to file an EFF Corporations Tax Return declaration form for every taxation year for which the status is claimed (effective for taxation years ending on or after January 1, 2000).

Corporations who are claiming EFF status may still be required by the Ministry of Consumer and Business Services to file an Annual Return; please refer to page 12 of this Guide.

Financial Institutions (banks, credit unions, mortgage investment corporations, registered securities dealers, bank mortgage subsidiaries, loan and trust corporations and trustees to the public) and insurance corporations, **do not** qualify for the exemption from filing a CT23 for a taxation year.

NOTE: The following loss situations will require the otherwise EFF corporations to file a CT3 tax return complete with all related schedules and financial statements:

- If a corporation has a loss in the current taxation year that is to be carried back and applied to a previous taxation year(s), regardless of whether the loss is the same as for federal purposes or not, a CT23 tax return is required for current taxation year. The corporation must also provide information indicating that the loss is to be carried back and specify the year and the amount of loss to be carried back to each taxation year.

- If a corporation has a prior year loss, that is not the same for both federal and Ontario purposes and the corporation is applying a loss carryforward from the prior year to the current year, a CT23 tax return for the prior taxation year in which the loss was incurred is also required. Although a tax return for the loss year is not required where the loss is not being applied, the Corporations Tax Branch will accept the filing of a tax return for a loss year at the time the loss incurred.
- If a corporation has a prior year loss that is the same for both federal and Ontario purposes, but in the current taxation year the corporation is applying a different amount of loss for Ontario than the loss amount being applied for federal income tax purposes, the corporation is required to file a CT23 tax return for the current taxation year only.

A CT23 for an EFF period may be required, if requested by the Ministry of Finance.

Ontario Corporations Tax Account No. (MOF)

In order to file a CT23 or an EFF declaration you will require an Ontario Corporations Tax Account No. (MOF). This account number will be assigned to you shortly after you register with the Ministry of Consumer and Business Services (MCBS). If you have already registered with MCBS and are still unaware of your Ontario Corporations Tax Account No. (MOF), please contact the Ministry Information Centre (see page 2).

Can You File a CT23 Short-Form Corporations Tax and Annual Return?

A corporation may file a CT23 Short-Form Corporations Tax and Annual Return if it meets **all** of the following criteria:

- The corporation is a Canadian-controlled private corporation (CCPC) throughout the taxation year.
- The corporation has a permanent establishment only in Ontario.
- The corporation is not a financial institution.
- The corporation's taxation year ends on or after January 1, 2001, its gross revenue and total assets are each \$1,500,000 or less; OR the corporation's taxation year commences after September 30, 2001, its gross revenue and total assets are each \$3,000,000 or less.
- The corporation's taxable income for the taxation year is \$200,000 or less. For a taxation year with less than 51 weeks, taxable income must be grossed-up. The gross-up equals the corporation's taxable income multiplied by 365 days and divided by the number of days in its taxation year.
- The corporation is not a member of a partnership/joint venture or a member of an associated group of corporations during the taxation year.

- The only tax credits the corporation is claiming are the Incentive Deduction for Small Business Corporations (IDSBC), the Co-operative Education Tax Credit (CETC), or the Graduate Transitions Tax Credit (GTTC).
- A Family Farm or Fishing Corporation which is not subject to the Corporate Minimum Tax (CMT) may also use the CT23 Short-Form Corporations Tax and Annual Return for a taxation year ending on or after January 1, 2000, if it meets all of the above criteria excluding the total asset and gross revenue test.

Filing Your CT23 and Annual Return

Who must file?

Generally, every corporation carrying on a business in Ontario through a permanent establishment (as defined in s.4) **other than corporations exempt from filing** (as outlined on page 5 of this Guide) must submit a Regular or Short-Form CT23 Corporations Tax and Annual Return signed by an officer of the corporation. For specific information on who must file an Annual Return please see page 12 of this Guide.

How can you file?

The following methods are available to file a CT23 and Annual Return:

- Complete and submit the pre-printed paper return received with this Guide;
- Submit a plain paper return produced with certified computer software purchased from any one of many companies available from certified vendors;
- Submit a return on diskette (DFILE) produced with certified software available from certified vendors.

Inf.B. 4003 provides the filing requirements for diskette (DFILE) and paper filing of the CT23. Copies of this bulletin may be obtained by calling the Ministry Information Centre at the numbers shown on page 2 or by visiting our website at www.trd.fin.gov.on.ca.

Your corporation's CT23 and Annual Return will be imaged. Please ensure that the document is neat, legible and suitable for imaging. Please type or print all information in block capital letters using dark ink .

Previous versions of the CT23 including Ministry preprinted and computer generated returns, may not be used by corporations required to file a CT23 and Annual Return for the 2000 and subsequent taxation years. Please ensure that any software used is Y2K compliant.

When must you file?

A completed CT23, Annual Return (if applicable) and supporting documents must be received within **6 months** after the end of the corporation's taxation year. The Minister considers the CT23 delivered on the date it is received by the Ministry of Finance.

What are the penalties if you file your CT23 return late and have not made sufficient payments for the year?

Rules for Calculating Penalty

The following penalties may be imposed for filing incomplete or late CT23s that are required to be filed on or after December 18, 1998. A taxpayer having 1 late filed CT23 may be subject to a penalty of 5% of the deficiency in the tax account for the taxation year, plus an additional 1% for each full month that the CT23 is late, to a maximum of 12 months. A taxpayer having 2 late filed CT23s within 4 taxation years may be subject to a penalty on the latter return of 10% plus 2% for each full month that the CT23 is late to a maximum of 20 months.

For additional details on these penalties, refer to Inf.B. 4004 – Penalties and Fines.

When will we pay or charge interest?

Calculating Daily Compound Interest (Inf.B. 4010)

Notice of (Re)Assessment

1. **Debit Interest**, at the rate provided in the Regulations, is calculated and charged daily for every day that there is a deficiency in your account (includes unpaid taxes, interest, penalties and other unpaid amounts). A corporation's account is divided for interest purposes, by period of time, into an instalment account for the instalment period and a tax account for the period after the instalment period. The instalment period is the period from the first day of your taxation year to the day before the balance of tax due date or the day before the most recent (re)assessment for the taxation year, whichever is earlier.
2. **Instalment credit interest**, at the rate provided in the Regulations, is calculated daily for each day that there is a surplus in your instalment account, from the last day of the first month in the instalment period to the end of the instalment period.
3. **Credit interest on overpayments**, at the rate provided in the Regulations, is calculated and allowed daily for each day there is a surplus in your tax account after the end of your instalment period for the taxation year. If a return is not filed on time, no credit interest will be allowed for the period from the day your return was required to be filed to the day after your return is filed.

Application of Payments

Any amount paid, applied or credited (on or after August 1, 1995) in respect of amounts payable, will be applied first, against any tax owing, second, against any penalty owing, third, against any interest owing, and fourth, against any other amounts owing by the corporation.

Revised Instalments

Instalment debit and credit interest will be re-calculated to reflect revised instalments resulting from the reassessment of the tax payable on which the instalments are based, except in the case of loss carry-backs.

Effects of Loss Carry-backs

Loss carry-backs for losses incurred in taxation years that end on or after August 1, 1995, do not affect the calculation of interest for the instalment account, the tax account or for the purposes of determining the amount of the late-filing penalty (if the CT23 due date is on or after August 1, 1995), until the date that is the later of the following:

1. The first day of the taxation year after the loss year;
2. The day on which the corporation's CT23 for the loss year is delivered to the Minister; or
3. The day on which the Minister receives a request in writing from the corporation to reassess the particular taxation year to take into account the deduction of the loss.

Interest off-set

Debit and credit interest is netted for a particular taxation year. Netting between different taxation periods is not permitted.

What should you include with your CT23?

Paper returns and D-Filed returns

- The Ministry prefers corporations to file the financial statements prepared for the shareholders of a corporation (Refer to Inf.B. 4002R). However, the Ministry will normally accept a hard copy of the GIFI.

Where the GIFI is filed, the Ministry may request financial statements in the form specified by the legislation (see paragraphs 2 and 3 of Inf.B. 4002R) where the GIFI is incomplete, inaccurate, or does not provide sufficient information to verify the corporation's tax liability under the Act.

Elections for Rollovers

The transferor and transferee corporations in a “rollover” are required to file a joint Ontario election made under sections 29.1 and 31.1 of the Act. These elections are the Ontario counterparts to federal elections made under subsections 85(1), 85(2) and 97(2) of the *Income Tax Act* (Canada). Corporations should use a hard copy of federal form T2057, T2058 or T2059 as appropriate, altered as necessary for Ontario purposes.

Corporations are recommended to file their Ontario election form with their CT23. However, under the Act, corporations are allowed to file their Ontario election by the latest date that a federal tax return must be filed by any party to the election. This date may be subsequent to the due date for the CT23.

Transferor and transferee corporations must file a copy of their federal election form T2057, T2058 or T2059 with their CT23, where the transferor and the transferee are either a corporation or a partnership with at least one corporate partner.

Corporations that elect under section 85 of the *Income Tax Act* (Canada) to transfer assets to or from a non-arm’s length corporation with a permanent establishment in a Canadian jurisdiction other than Ontario, must file additional information. See Tax Legislation Bulletin 96-3 “Inter-Provincial Asset Transfers” for details. The bulletin is available by calling the Ministry Information Centre at the numbers shown on page 2 of this Guide.

Send your tax payment(s) (payable to the Minister of Finance) and completed CT23 by the appropriate due dates to:

**Ministry of Finance
PO Box 620, 33 King Street West
Oshawa ON L1H 8E9**

For information on what should be included with your Annual Return, please see page 12 of this Guide.

After You File

What happens to your CT23 after we receive it?

When we receive your CT23, we review it based on the information you provided and send you a Notice of Assessment based on that review.

In some cases, your CT23 may be selected for a more detailed review and additional information may be requested.

Tax Payments

Corporations may make tax payments using any of the following methods:

- At any financial institution in Ontario where the corporation maintains an account.
- By mail or delivery to any Ministry of Finance tax office.
- Electronically, using a financial institution’s Internet Banking Service. Internet Banking, where offered, is an on-line tax payment service available 24 hours a day, seven days a week, whereby a corporation can remit tax payments through its financial institution’s website.

Is the payment of instalments always required?

No. Instalments are not required in the first year of filing or when taxes payable for either the current or previous taxation year are less than \$2,000. All taxes must be paid on or before the balance of tax due date (refer to Balance of Tax).

The 2001 budget introduced quarterly instalments. Tax must be paid by quarterly instalments (every three months), if your tax payable for the current year or preceding year is equal to or greater than \$2,000 and less than \$10,000. This applies to taxation years commencing in 2002. The measure received legislative authority through Bill 127 which received Royal Assent on December 5, 2001.

Quarterly instalments should be calculated according to one of the following methods:

- $\frac{1}{4}$ of the tax payable for the current taxation year; or
- $\frac{1}{4}$ of the tax payable in the previous taxation year; or
- for the first quarter of the taxation year, $\frac{1}{4}$ of the tax payable two years ago; and for the next three quarters, $\frac{1}{3}$ of the difference between last year’s tax payable and the instalment paid for the first quarter.

Tax must be paid by monthly instalments, if your tax payable for the current taxation year and for the previous taxation year are each \$10,000 or more.

Each instalment, usually due on the last day of the month, should be calculated according to one of the following methods:

- $\frac{1}{12}$ of the tax payable for the current taxation year; or
- $\frac{1}{12}$ of the tax payable in the previous taxation year; or
- for the first two months, $\frac{1}{12}$ th of the tax payable two years ago; and for the next ten months, $\frac{1}{10}$ th of the difference between last year's tax payable and the amount paid for the first two months.

Where instalment calculations are based on a prior short taxation year, the tax payable figure used for that year must be grossed-up to reflect the amount that would have been payable for a full year.

A corporation that is the successor corporation of amalgamated corporations must use the total predecessor corporations' tax liability in the computation of instalments.

Balance of Tax

The difference between the current year tax liability and the amounts paid by instalments represents the balance of tax due.

The balance of tax due must be paid within three months after the end of your taxation year if your corporation was a Canadian-controlled private corporation throughout the taxation year and had taxable income of not more than the corporation's business limit for Ontario purposes for the previous taxation year. For additional information regarding changes to the business limit for Ontario purposes, refer to page 11 of the 2003 CT23 Guide (long version).

If the previous taxation year was less than 51 weeks, the corporation's business limit for Ontario purposes must be prorated (i.e., $\$280,000 \times \frac{\text{number of days in taxation year}}{365}$). The taxable income must not be more than this prorated limit.

For Accounts or Payment enquiries, please call the Corporations Tax Branch Accounts Enquiry lines at the numbers listed on page 2 of this Guide.

Voluntary Disclosure

It is the policy of the Ontario Ministry of Finance that any corporation or individual, who voluntarily discloses a violation of a statute administered by the Ministry of Finance, be allowed to settle any related debt by making full payment including interest.

If the above condition is met, the Ministry will not prosecute or impose civil penalties for gross negligence, willful evasion or late-filing. The identity of an individual or corporation making a voluntary disclosure will be held in strict confidence as are all matters between the Ministry and its clients.

For more information, please obtain a copy of the Ministry's Voluntary Disclosure Bulletin dated January 2002, by contacting the Ministry's Information Centre at the numbers shown on page 2 of this Guide or by downloading a copy from our website at www.trd.fin.gov.on.ca.

The letter should identify the taxpayer by indicating the corporation’s legal name and seven-digit Ontario Corporations Tax Account No. (MOF). The letter should clearly describe the adjustment(s) requested and should include supporting documentation, e.g., amended schedules.

This requirement applies to all corporations, including those that have neither taxable income nor assets due to inactivity. Since assessments are not produced for exempt years, a corporation must file a CT23 in the final year that its articles of incorporation are active and obtain a Letter of Consent from the Ministry in order for it to voluntarily dissolve. Any corporation incorporated outside the jurisdiction of Ontario must contact the Ministry of Consumer and Business Services, Companies Branch, 1-800-361-3223 to reflect this status change on the Ontario public record. For additional details on corporate dissolutions, refer to Inf.B. 4006R and to our website at www.trd.fin.gov.on.ca

The Annual Return (MCBS)

The Annual Return is comprised of page 1 of the combined CT23 Corporations Tax and Annual Return and either of MCBS Schedule A or MCBS Schedule K (page 7 or 8). The information provided on these pages is collected under the authority of the *Corporations Information Act* for the purpose of maintaining a public database of corporate information. The Ministry of Finance (MOF) is collecting this information on behalf of the Ministry of Consumer and Business Services (MCBS). This collection process applies to corporations that have a taxation year ending on or after January 1, 2000.

If you answer “Yes” to the question below, “Is An MCBS Annual Return Required?”, most of the information on page 1 of the combined return and where applicable, MCBS Schedule A or MCBS Schedule K, will be provided to MCBS by the MOF. Authority for providing this information is given pursuant to subsection 98(4) of the *Corporations Tax Act*.

Is An MCBS Annual Return Required?

Every corporation that is incorporated, amalgamated or continued in Ontario under the *Business Corporations Act*, Ontario must file an Annual Return. This type of corporation is referred to as an “Ontario Corporation”.

Every foreign corporation which has a licence endorsed under the *Extra-Provincial Corporations Act* to carry on business in Ontario must file an Annual Return. Foreign extra-provincial corporations are those corporations that are incorporated, amalgamated or continued outside Canada. This type of corporation is referred to as a “Foreign Business Corporation”.

If neither of the above applies to the corporation then please answer “No” to the question “MCBS Annual Return Required?”.

If one of the above conditions does apply but the corporation has filed the Annual Return electronically to MCBS, then the corporation’s response to the question will be “No”.

Note: A corporation that is incorporated, continued, or amalgamated in a Canadian jurisdiction other than Ontario is **not required** to file an Annual Return.

How Can You File?

The following methods are available to file the Annual Return:

- Complete and submit the combined preprinted paper CT23 Corporations Tax and Annual Return or the Annual Return and EFF Declaration, to the Minister of Finance at the address indicated on the top of page 1 of those documents.

If applicable, the corporation would submit their CT23 to the Minister of Finance separately.

When Must You File?

A corporation with share capital that is required to deliver a CT23 (or is EFF) and an Annual Return is required to file the Annual Return within six months after the end of its taxation year. This applies whether the Annual Return is delivered to the MOF or electronically to MCBS.

A corporation’s CT23 is required to be delivered on or before the last day of the sixth month after the end of the taxation year.

The Annual Return will be considered delivered on the date it is received by the Ministry of Finance. The effective date of filing for the Annual Return is the date the information is updated in the Ontario Business Information System (ONBIS). The effective date of filing for the CT23 is the date the Minister of Finance receives it.

If the Annual Return is filed electronically during MCBS business hours, the date of receipt will be considered to be that day. Otherwise, the date of receipt will be the next business day of MCBS.

An Annual Return is considered filed if it is complete and has been recorded in the ONBIS.

Incomplete Annual Returns are considered to be deficient. MCBS will contact corporations regarding Annual Return deficiencies. The Annual Return will not be considered **filed** until the deficiency is corrected.

What Must You File?

Ontario Corporations must complete all of the information on page 1 of the combined CT23 Corporations Tax and Annual Return. MCBS Schedule A will only be required if there has been a change in the information previously submitted to MCBS with regard to the Directors, Officers, or Administrators of the corporation.
